To Whom It May Concern,

I am writing in support of re-electing Robert (Robbie) Radcliff as Sheriff of Pickaway County.

As a Sheriff in a neighboring county, I have had the privilege and opportunity to have become acquainted with Robbie since my tenure in office since 2001.

The duties and responsibilities of the Sheriff are very difficult and challenging. That individual must demonstrate himself as professional, knowledgeable, have the education, experience, character and abilities to do the job well, and be fully capable of fulfilling the duties of Sheriff.

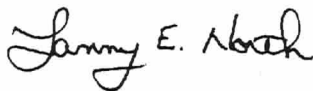

There are several important areas where the Sheriff must keep intact. The department's culture, openness and transparency in dealing with the public and media and retaining relationships with other county officials.

Pickaway County needs a well-trained person with integrity and leadership to effectively manage and administrate the Office of Sheriff.

Robbie, as a 40 year veteran of the Pickaway County Sheriff's Office and a third generation Sheriff, clearly meets all of the above reasons why he should be re-elected as Sheriff of Pickaway County.

If I had the opportunity to vote in Pickaway County, I would not hesitate for an instant in casting my ballot for Robbie . I encourage all Pickaway County voters to do the same.

Sincerely,
